Aug 19th : Rev. Julie & Rev. Jennifer

Aug 26th : Rev. Julie

Sept. 2nd : Rev. Julie

Saturday September 8th Workshop for congregations of St. Andrew's and loco
United Churches to explore amalgamation. Some questions we plan to explore
will be: do we share a mission and vision for the future of our faith communities
serving Port Moody and area, and can we be a better church together? Your voice
is important, everyone is welcome. Facilitated by Kathy Davies Conference
Minister, BC Conference United Church. Watch for details of time and location.

I'M WONDERING ABOUT...

What about **music**? Jean-Marc Stacey will play piano at all the services.

Instrumentalist: guitar, drums, trumpet and others are invited to join in. We will have a **summer pick up choir** led by Karen Peters and Jean-Marc Stacy. Practice 9:15 Sunday mornings to sing once in July and once in August. If you like to sing in choir please join in. Solo and duet musical offering are also welcome. Talk with Jean-Marc on Sunday or Karen kapeters@telus.net

Offering, how do I still give to my home congregation? There will be an offering box for St. Andrew's and for loco at all the worship services. The congregation will place their offering in the box of their choice.

During the week, will St. Andrew's still be open? St. Andrew's will maintain regular office hours Tuesday to Thursday 10:00am – 2:00pm. Centering Prayer, Healing Pathway, Men's Coffee Klatch and Sandwich Ministry will continue as usual.

Rides, what if I need ride to the church? St. Andrew's is coordinating rides for people who need a ride to loco in August. Please phone the church office if you need a ride or can offer a ride.

Children, is there room for them? Of course! Children are invited to participate in the service and there will be an activity available in the sanctuary. They can also be candle lighters, help with offering or readers.

We welcome each other and the Spirit among us...see you at worship!
